After the quick reaction of Deputy Governor Vladimir Krumov the Internal Diseases Ward of Karnobat Multiprofile Hospital will not be closed. Thus the population of the municipalities of Karnobat and Sungurlare will have access to health care. Lack of specialists to serve in the section was the problem which created the reason for speaking about closure a few days ago. Mr Krumov had a number of conversations with Semir Abumelih – Member of Parliamentary Health Commission, who fully cooperated to find a doctor for work in the Internal Ward. “We found a specialist to will complete the team of the
