
Deputy Governor Vladimir Krumov attended the opening of the renovated sports hall in the Secondary School of general education "Hristo Botev" in Sungurlare. The renovated sports facility has a completely substituted flooring corresponding to the safety requirements. The new acquisition will be enjoyed by the youngest pupil of the school – the kids from 1st till 4th class. The school feast started with a symbolically cut of the ribbon, water sanctification ceremony for health and a programme with the participation of children of different ages. For the renovated sports hall Deputy Governor Krumov gave as a present new volley-balls and basketballs. The feast continued with friends matches in both sports between the teams of the Secondary School of general education "Hristo Botev" in Sungurlare and Petko Rosen School from Burgas. The renovation has been done in the framework of the National programme "Modernization of the necessary equipment in the schools - 2014". The Principal Nikolay Rusev assured that the efforts for creating of modern and optimal conditions for the pupil will be continued. A project has been prepared for renovation of the open-air sports playground and it will need a financing through the crossborder cooperation programme.
