Governor Valcho Cholakov, Deputy Mayor of Aytos municipality, Police Director Kaloyan Kaloyanov, representatives of institutions and citizens joined the charity forestation action organized by the Community Foundation – Burgas region. Nearly 1000 one-year saplings of the typical for the region of Aytos Downy Oak have been planted today in an area of 1 decare in the Three brothers country-side of Aytos.

As a tradition this year's event dedicated to the International Forest Day has been conducted under the patronage of the Governor of Burgas region.

The initiative aims to appeal to the civil society to protect the forests and to take care of the nature. The idea of the organizers is to implement the campaign every year in another municipality of Burgas region.
