For the fifth year in succession Burgas Region will join the mass cleaning which will be this year under the heading "Let's clean Bulgaria together". Besides the heading the new in the campaign is that 5 one-day actions will be conducted for cleaning of the most vulnerable zones – city environment, recreation places and sports grounds, open-air kindergartens, nature parks and protected areas, river beds etc. This has been discussed during the meeting with the project's co-ordinator and representatives of municipalities and institutions in Burgas Region.

Dates have been topically chosen :

10 May – European day of cleaning: clean actions in the towns and villages

17 May – Sports Day: cleaning of recreation places and sports grounds

31 May – On the occasion of the Child's Day open-air kindergartens will be cleaned

7-8 June – National Nature Parks Day; cleaning of nature parks and protected areas

27 June – "Let's do it, Danube!": cleaning of water basins and river beds
