

---

The arrangement of a mutual business forum with the participation of Ukrainian and Burgas companies was among the topics discussed today by the Governor of Burgas Region Valcho Cholakov and the Ambassador of Ukraine H. E. Mikola Baltaji.

Both of them wish to conduct a business meeting of representatives from both countries in Burgas still this autumn with participation of companies in different branches. Such a forum is useful for creating contacts and exchange of practices and ideas which would lead to a real economic effect.

The Governor committed himself to assist in arranging a meeting between representatives of Burgas Airport and the Ukrainian Embassy which wish a line Burgas – Dnepropetrovsk to be operated throughout the year.
