
A tentative International Webinar “Legal aspects of ICT: Identification of procedures for public cloud technologies’ adoption on local level and adoption stage reached by the interested parties” will be held on 22 July 2015 at 11.00 a.m. on the web site www.anymeeting.com

The link for participation is <http://www.anymeeting.com/PIID=EB59DB82874C3E>

The training is being held as a part of the implementation of a common project “Smarter Public Administrations in the European Union’ financed within the framework of the Lifelong Learning Programme Leonardo Da Vinci supported by the European Commission. Bulgaria in the person of the Burgas Regional Administration is a partner together with representatives of four more European countries as follows: Institut Arbeit und Technik – Gelsenkirchen, Germany; Anatoliki S.A. Development Agency of Eastern Thessaloniki’s Local Authorities, Greece; Ayuntamiento de Murcia – Spain and Instytut Post?powania Twórczego – Lodz, Poland.

The project and its results were presented at a final conference held in the end of Juny in the Burgas Regional Administration.

The complete information about the project’s aims, partners and outcomes can be seen on the web page <http://www.smartpuba.eu>
