

---

The 7<sup>th</sup> meeting of the Regional coordination mechanism for deinstitutionalization of children was held on 24.02.2016 in Burgas Regional Administration. The members discussed the next case of children in risk, reared by a single mother – they are 7 and 1 years old. The case was presented by the Director and a social worker of the Social Support Centre in Burgas. 16 representatives, who are members of the Regional coordination mechanism for deinstitutionalization of children took part in the meeting. They are working with children in risk on municipal and regional level. The mother will get support in enrolling of the younger child in the crèche, ensuring of meal from the school canteen for the older child as well as receiving food packages from the Bulgarian Red Cross in Burgas.

The activity of the Regional coordination mechanism for deinstitutionalization of children unites 29 organisations and institutions in the region and is chaired by Deputy Governor Assoc. Prof. Sevdalina Turmanova.
