A Memorandum for cooperation was signed between Burgas Regional Administration and NGO "Hope and Homes for children" – Branch Bulgaria in the Governor's Office. Governor Valcho Cholakov and Executive Director of the NGO Georgi Simeonov affixed their signatures under the document.

The Memorandum is a part of the new regional Strategy for social services' development 2016-2020 and has been signed with the aim to adequately support and consult families as well as experts providing social services. It will focus the activity of the institutions on prevention for kids and families at risk and on building of intermunicipal partnership and intersectoral cooperation in the social services' sphere for children and families and the effective reforming of existing institutional cares for children.
