According to a suggestion of the European Traffic Police Network TISPOL 21<sup>st</sup> September is made an European Day Without Road Death und it will be carried out as an operation under the title EDWARD.

The idea includes a 24-hour video monitoring recording events in real time and a “counter” of the day while details of all accidents with badly or lethal injured people will be recorded and provided online to the community.

The information will be announced and updated every hour on the web pages of the Ministry of Internal Affairs and of the Burgas Regional Police Directorate.
