

---

Young people from three NGOs wearing "Safety" reflective waistcoats and using "Stop" sticks stopped the traffic in front of the schools "Knyaz Boris I", "Petko Rosen" and "Anton Srashimirov" in Burgas in order to help school kids and parents to reach class-rooms without problems.

Deputy Governors Sevdalina Turmanova and Vladimir Krumov participate too demonstrating that a successful campaign needs the whole community to be included and the place of the institutions is near the citizens and problems. This initiative has been organized by the Burgas Regional Administration, Emergency Call 112, Voice of Youth National Society, Bulgarian Citizens' Protection Organization and "SOS Traffic Accident" and aims increasing of the traffic culture among children as well as enhancing the vigilance and attention of drivers.
