

---

Deputy Governor Prof. Sevdalina Turmanova presented today the president of the Independent Women Society "Self-Awareness" Assoc. Prof. Snejana Stoyanova and the president of Zonta Club Burgas Mrs. Maria Danailova with a charter as a sign of acknowledgement for their active participation, exceptional contribution and empathy in the first edition of the charity campaign "A Christmas Tree of Goodness", organized by the Regional Coordination Unit to the Governor. Both ladies accepted the charters with words of appreciation for the constructive work of the Unit's members and assured all present that this will not be a solitary act but the cooperation will go on in future as a care and support of children and their parents, who are in difficult situation. Prof. Turmanova thanked also all contributors who turned the campaign with its large scale to an example among the other Regional Coordination Units in the country.
